

SIDNI LEIGH

Makeup Artist

Your Bridal Guide

Hello

I'm Fidri

If you're reading this you're looking at booking with me for your wedding day! It's always such an honour and a privilege to be considered, hopefully this guide will be able to answer some of your questions regarding my services and all that goes with it.

To me, makeup is there to enhance your natural beauty not to cover it!

If I'm not doing makeup/work related things, I'm with my family. Fabio is my long term partner of 14 years (I'm still waiting for my ring!) and our children Ben & Bella.

I love the beach, outdoors in general, coffee, Mediterranean food and lots more! I can't wait for us to get to know each other!

Sidni was my lovely makeup artist for my wedding in May 2025. Not being local to the area Sidni was welcoming and took care of me at both the trial and big day. She did my makeup and hair beautifully, would recommend to anyone looking for a talented, kind and professional artist for their wedding!

I booked in for my trial & I just absolutely loved her work. Went through each step & explained what would look good for a natural look. Sidni exceeded my expectations & I just felt incredible. Sidni messaged a timeline for my day, what time she would arrive ect. The wedding day arrived & well, Sidni made me feel & look unreal. You can see the love & passion Sidni has for the work that she does. Just incredible! Last minute I realised I needed Sidni to stay after the ceremony due to me being so emotional! & it was no bother for Sidni. She didn't just touch up my make up, she was also making sure I was drinking enough (Prosecco) & making sure my dress looked good for the pictures. If you're stuck looking for a makeup artist I highly recommend Sidni!! She's the best & I'll never be able to thank her enough!!

Our journey

You might be curious about what happens next after booking with me

01 Introduction

Once you've made your initial enquiry, I'll confirm your booking and be at your service through email in case you require any assistance before your preview.

I'll get in touch with you directly via email to schedule your preview so there's no need to worry if we haven't arranged it yet.

Please feel free to email me to schedule a call if this is something you'd desire!

02 Preview

At your preview, we'll have a good chat about your wedding details such as your dress, hair, colour scheme, etc., so I can get a feel for the vibe you're going for.

We will create a look based on everything we've discussed. It's a great idea to bring a +1 with you too if you like!

03 Wedding

I'll arrive at the agreed-upon time to set up, and I'll have already sent you a schedule beforehand so you know how the morning will unfold. My main goal is to make your prep as special as possible. I'll have you ready about an hour/45 mins before the ceremony, allowing you ample time with the photographer & last minute adjustments. I'll also be available for touch-ups just before you walk down the aisle to ensure everything looks perfect.

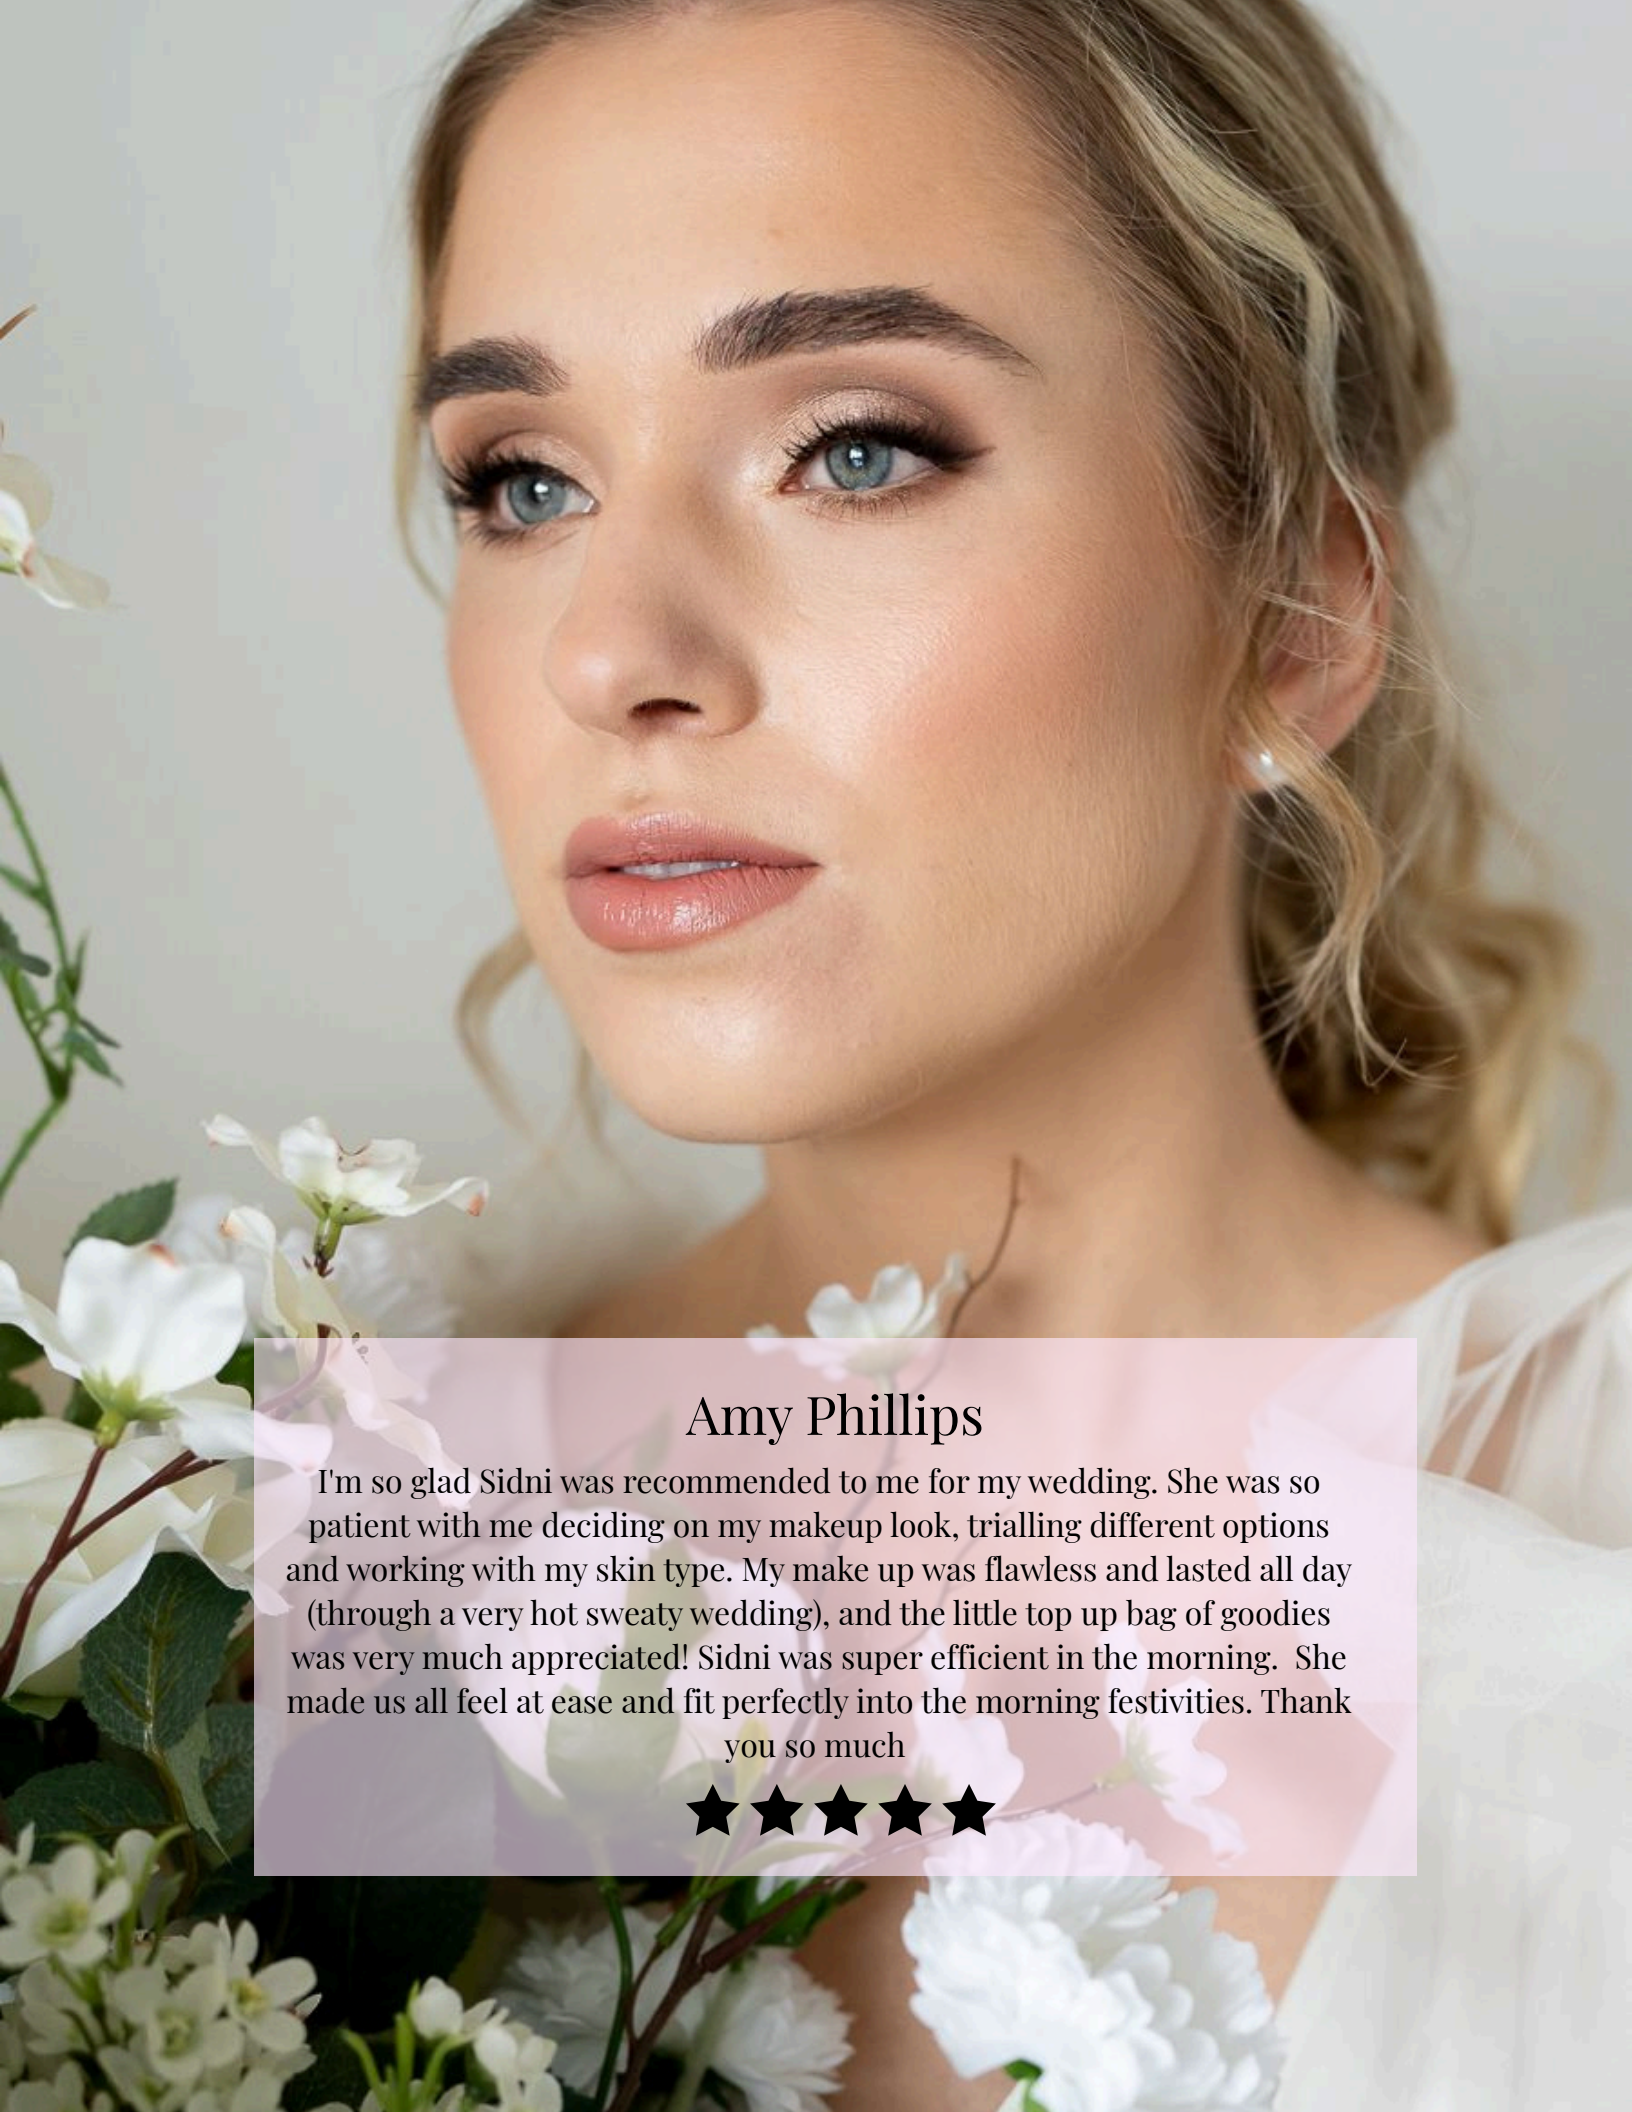

The Preview

Previews are not mandatory with me, but they are included in the package! My brides have put their full trust in me and some have opted to having a thorough video consultation which has enabled me to create their perfect look without meeting them in person. This is one of the most important days of your life and nothing should be left to chance, including your makeup so the choice is yours!

This is a chance for us to connect, get to know each other, talk about your bridal look, wedding plans and working together with your chosen hairstyle, colours, style, theme, decorations, flowers and so much more that you've been planning!

I'm one of the first people you see on your wedding morning so it's important to me that my energy is what you want and need.

I'm so glad Sidni was recommended to me for my wedding. She was so patient with me deciding on my makeup look, trialling different options and working with my skin type. My make up was flawless and lasted all day (through a very hot sweaty wedding), and the little top up bag of goodies was very much appreciated! Sidni was super efficient in the morning. She made us all feel at ease and fit perfectly into the morning festivities. Thank you so much

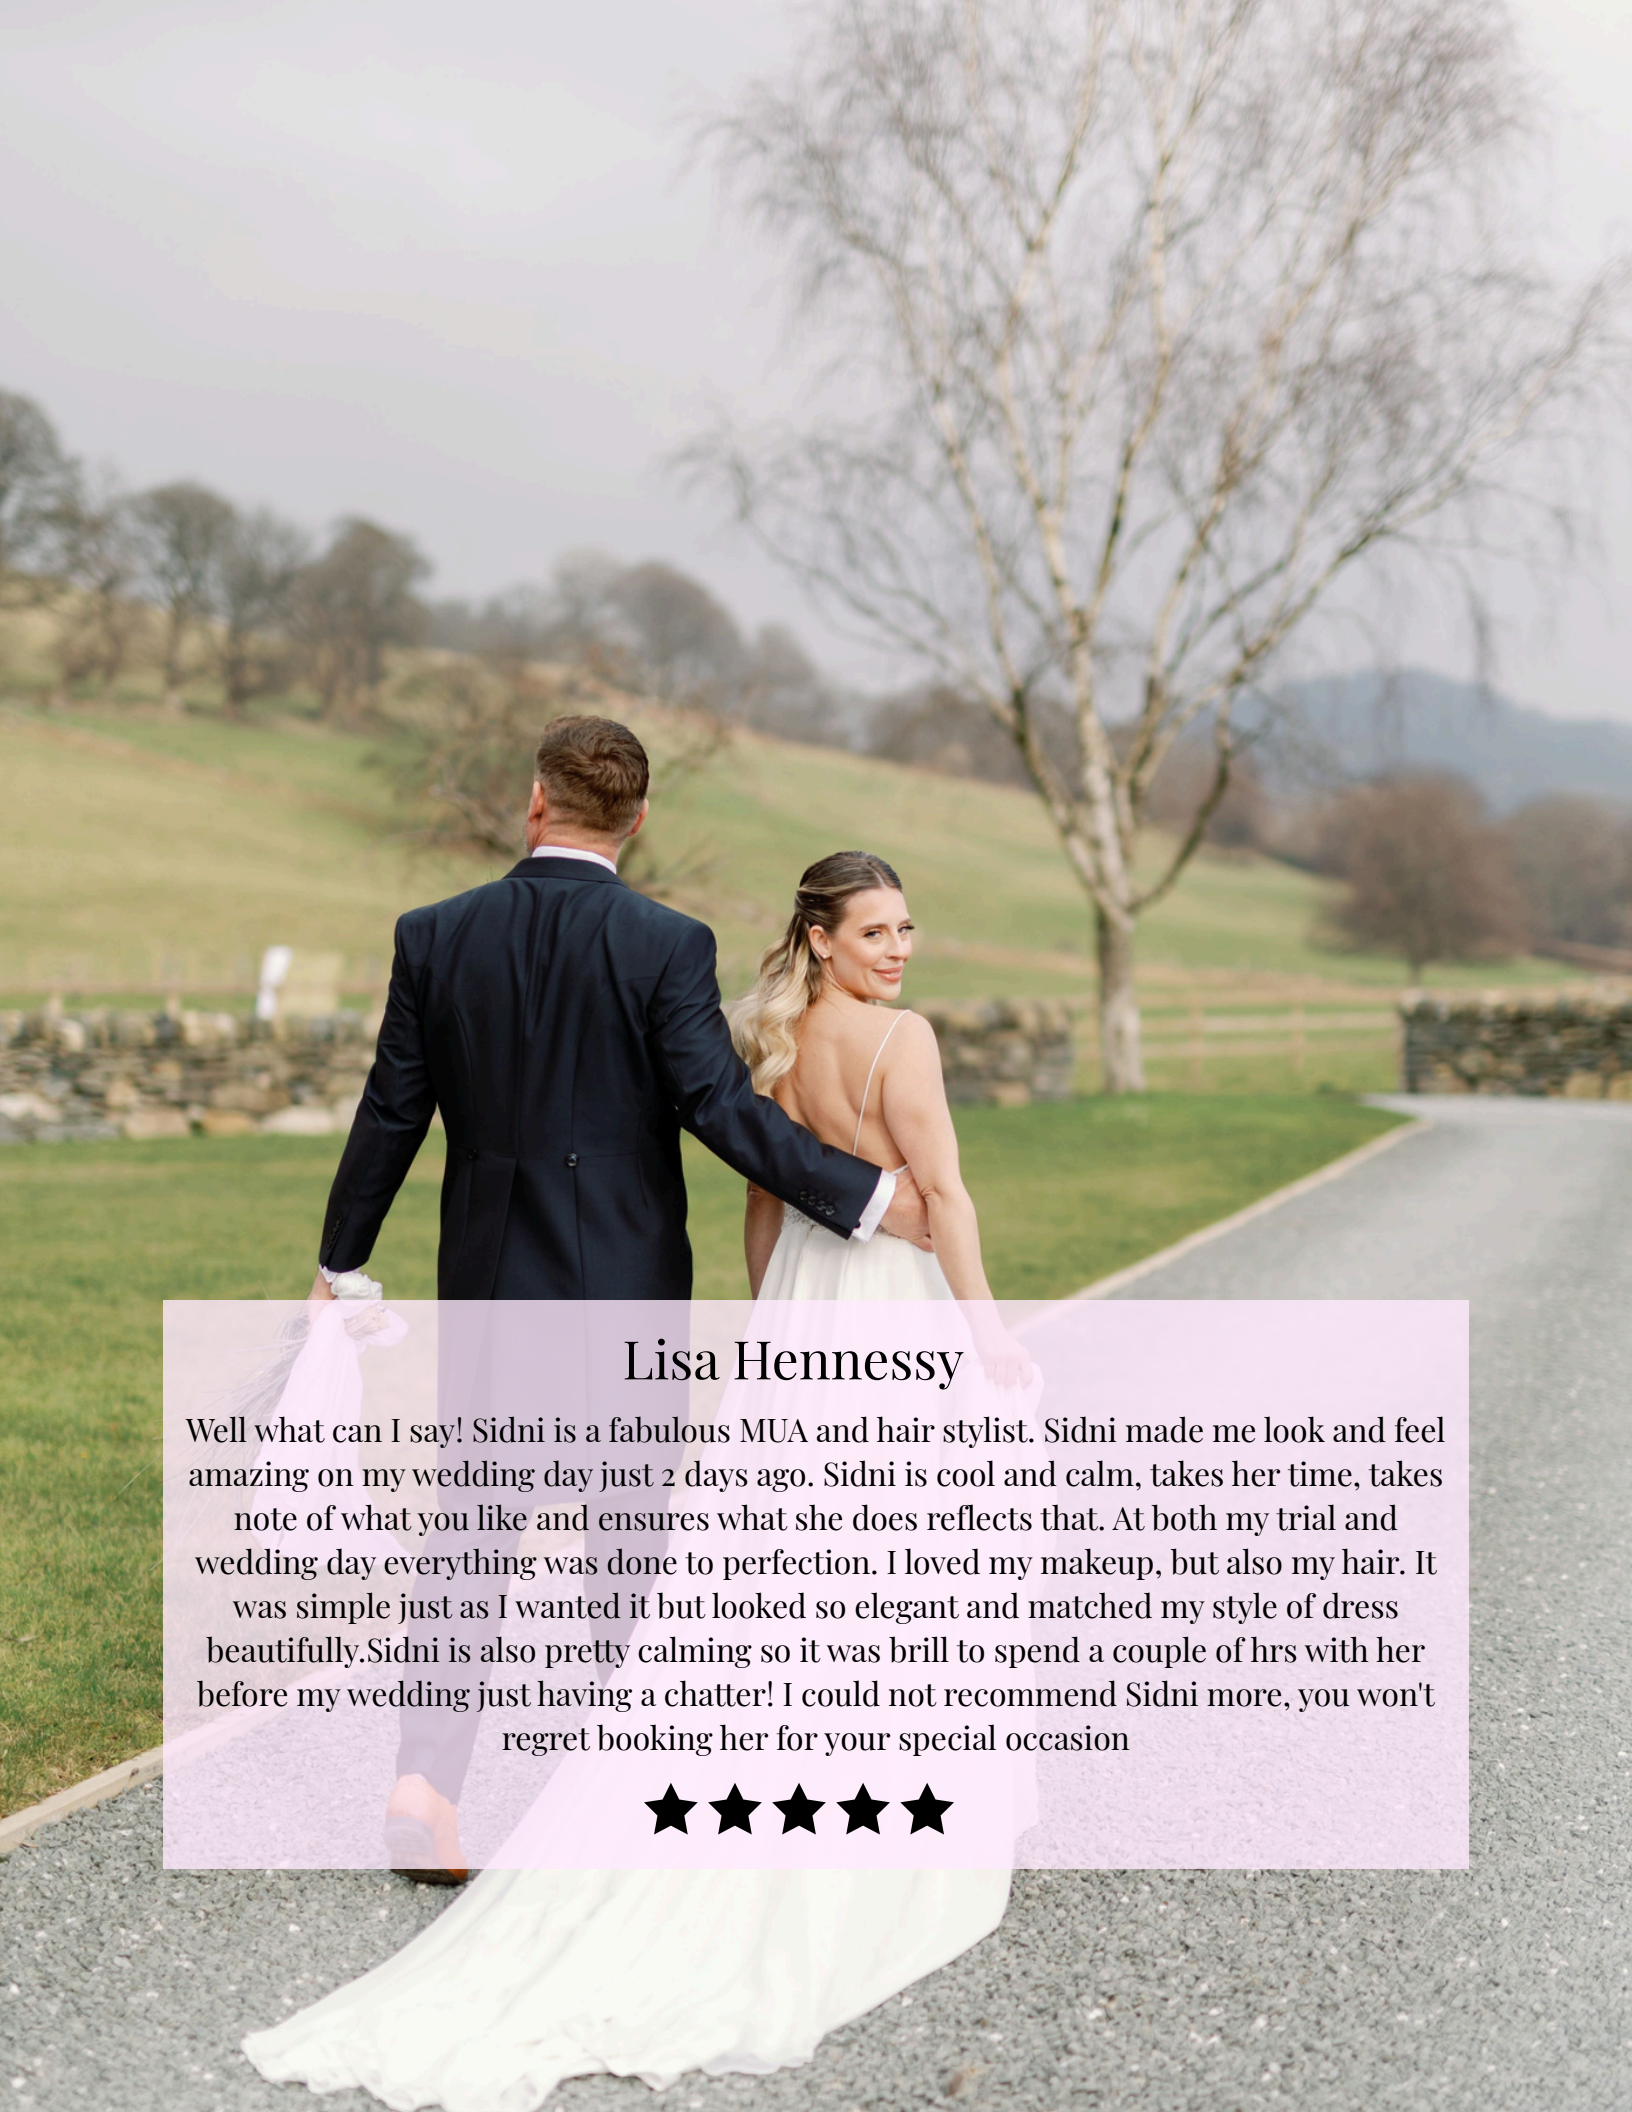

On the morning, quite early in some cases! I'll come in with my best makeup and a welcoming smile ready to prep you for your big day and to dance the night away!

I have a calming presence but I want you to feel all the emotions and make you feel the most beautiful and confident woman walking down the aisle to your love.

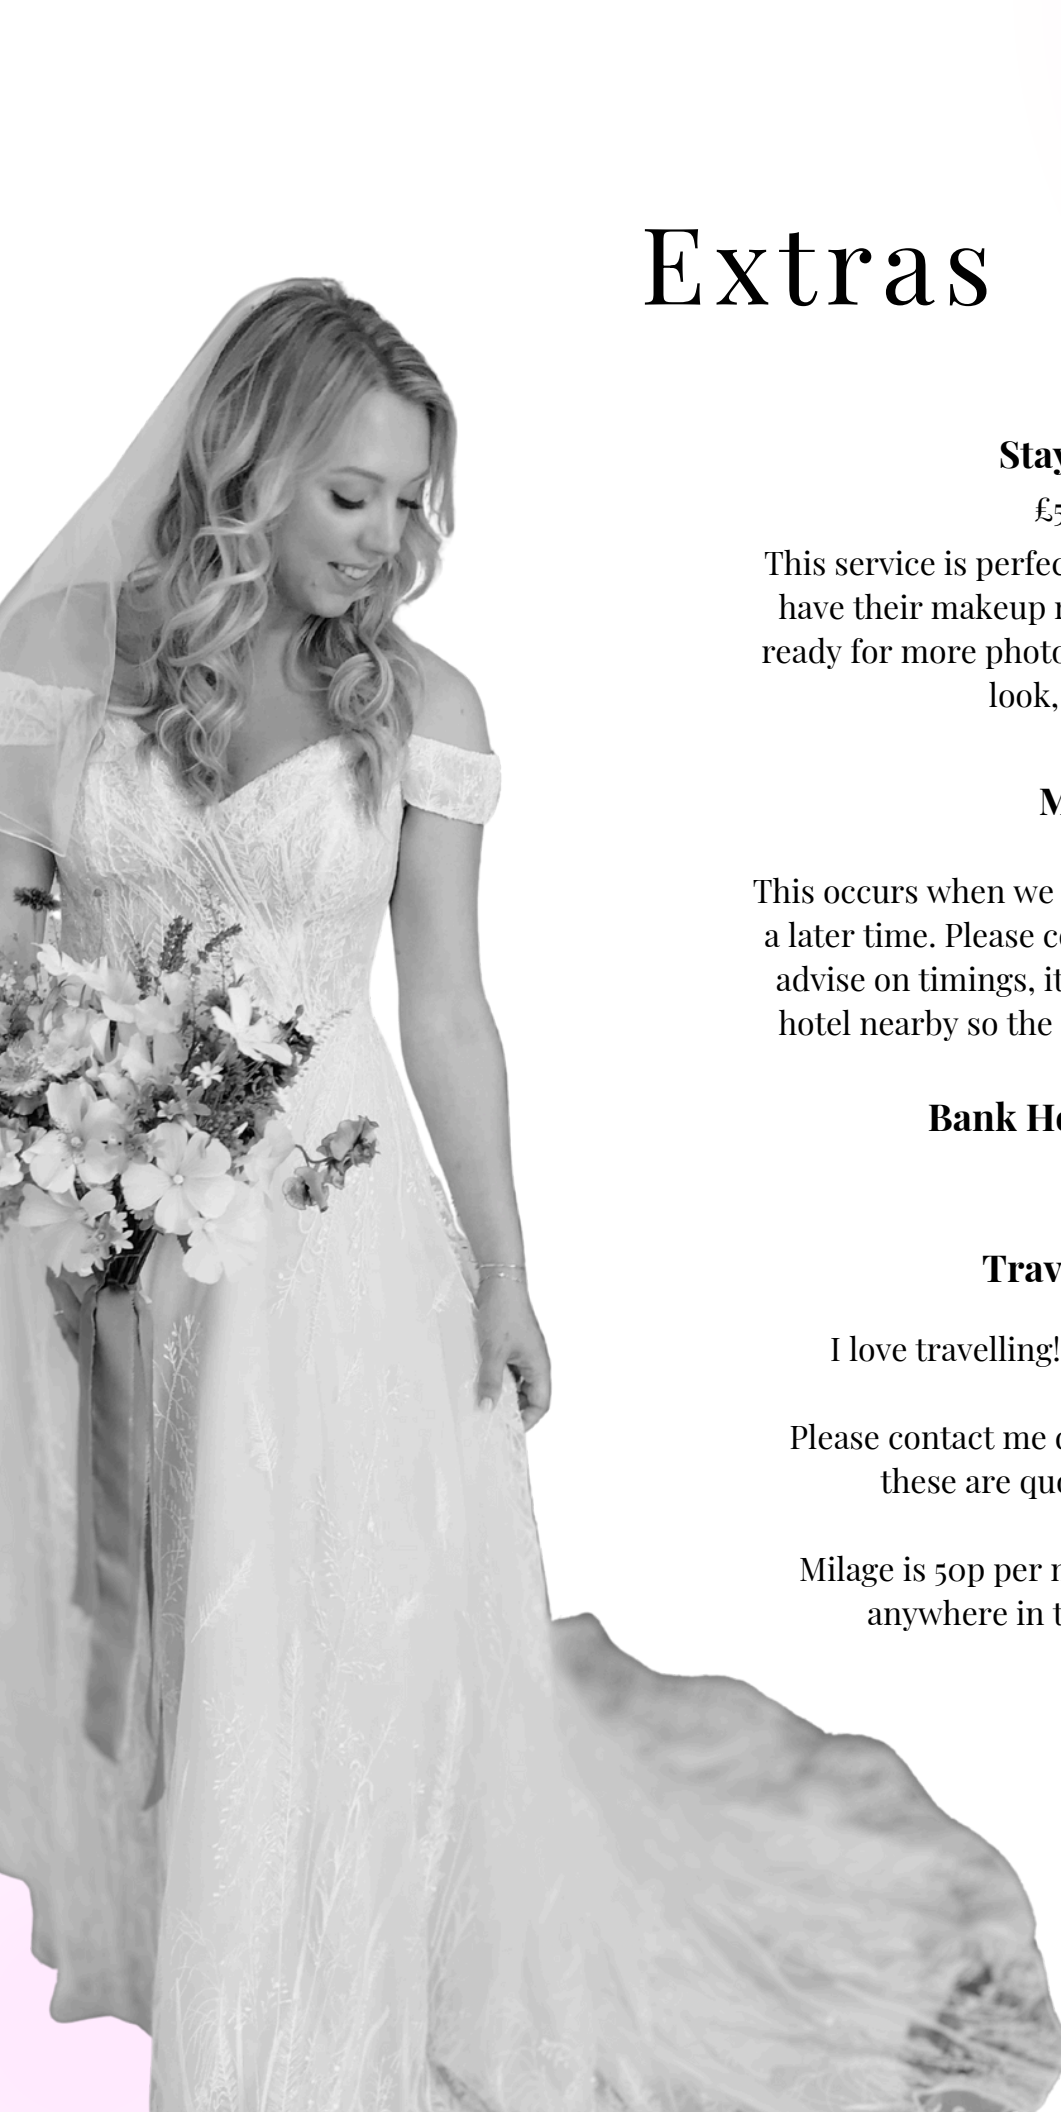

My packages include a top up bag of personalised essentials to use throughout the day but I can also stay after the ceremony to do touch ups before your couple photos on the venue grounds or stay to do a second look, switching up your romantic soft look to something more glam for the evening!

Well what can I say! Sidni is a fabulous MUA and hair stylist. Sidni made me look and feel amazing on my wedding day just 2 days ago. Sidni is cool and calm, takes her time, takes note of what you like and ensures what she does reflects that. At both my trial and wedding day everything was done to perfection. I loved my makeup, but also my hair. It was simple just as I wanted it but looked so elegant and matched my style of dress beautifully. Sidni is also pretty calming so it was brill to spend a couple of hrs with her before my wedding just having a chatter! I could not recommend Sidni more, you won't regret booking her for your special occasion

Sidni was the greatest choice I made to have as my hair and makeup artist for my wedding day. I had a micro wedding and so for the majority of the morning it was just me and Sidni. She put my nerves at ease and made me feel so relaxed knowing I was in good hands. I have never felt more beautiful on my wedding day and I owe it all to her. When I met her for my preview she really put my mind at ease and listened to what I had envisioned for my big day. She is an expert in her field and it really goes to show how important it is to make the right choice when choosing your MUA. I would give her more stars if I could. You need to book Sidni for all your occasions she will not disappoint.

Frequently asked questions

How far do you travel?

I travel on request to any location/destination that's required. I may need to add on some additional costs like an over night stay and travel. All will be included in your quote when enquiring.

Do you have a minimum/maximum booking?

No, but there are only so many services I can offer within the time frame we have. I'm more than happy working with other artists, we're a team.

How do I secure my wedding date?

Please fill in the enquiry form on my website, this will help me with checking my availability and generating your quote. A contract and deposit is required for the date to be secured

What time will we start on the wedding day?

Once we've had our preview appointment I'll be able to gauge how long I'll need, it also depends on what time your ceremony is, if you're having makeup only and getting married at 12pm I'd want to start at 9am

What is a preview and do I need one?

A preview is another word for trial, to me we're not trialling we're previewing what the style will look like on the wedding day

Are eyelashes included?

Yes, unless you opt for a lash lift!

Can I pay in instalments?

Yes! The first instalment is your deposit, the second is your preview and then your third is the final balance

What if I need to cancel?

Cancellation will be subject to the following charges:

Deposits are non refundable subject to terms in the contract.

6-8 weeks 50% of the outstanding balance

4-6 weeks 75% of the outstanding balance
